FORENSIC INTERVIEW

For children age 3 and older, a criminal investigator from the Lincoln Police Department Special Victims Unit or the FBI will be contacting parents to arrange a forensic interview at the Child Advocacy Center.

MEDICAL EVALUATION

For all children, we are strongly recommending a medical evaluation, including testing for sexually transmitted infections, at the Child Advocacy Center to be provided at no cost to your family.

ADVOCACY AND SUPPORT

You will be working closely with a child advocate from the Center. We are here to support you in any way we can. Please do not hesitate to reach out. We do not expect you to navigate this on your own.

MENTAL HEALTH SERVICES

We have partnered with Lutheran Family Services, UNL Project SAFE, and HopeSpoke to provide mental health services for yourself and your child. Your advocate can provide referral information and some funding resources.
